FROM YOUR COMMODORE

Ahhh, April.....

Time to relax by the Bay, after a busy first three months of the year...."April Fools". In the month of April we've got it all going on at MBYC, with our Spring Potluck/General Meeting on the 7th, and our big party of the year, Opening Day on the 15th. Yeah, it's that time of year already. The clubhouse has been getting spruced up, thanks to her members and V.C. John Schmidt, leading quite a successful work day last weekend.

Items on the General meeting agenda are; six candidates for life membership presented by the membership chair, and a consensus on what type of elevator/lift or not, that the membership might be interested in, to be brought forth by the Vice Commodore. So if you have an opinion as to which way to go on this topic (up, down or diagonally) please attend.

Another subject of concern recently, has to do with boat accident reporting procedures. Information regarding this will be presented by our Insurance Chairman Lee Drocco at our regular April board meeting on the 12th of this month.

Last month I reported about a Santana 22 that was donated by student member Nick Fabino's father. Well, with Bruce Masterson handling the transactions, the boat was advertised, shown and sold quickly and smoothly. So a big thanks to Bruce for his efforts. Proceeds from this sale went to the student/junior sailing programs at the request of the donor.

A second blessing may be at hand for those participants of the Opening Day Parade as they pass by the north end of the waterfront during the City of Morro Bay's "Blessing of the Fleets" ceremonies. So there's another reason not to miss your clubs Opening Day Celebration.

See you there, Dana McClish, Commodore

We love your articles and photos! YOU make the Masthead wonderful! Thanks to all who contribute!

We need to have a history file, a real one, something that is available to all. Many of you have stuff that you have collected, and we need to get it all together in some kind of scrapbook form. To this end, we're going to put a box outside the office for you to add your contributions to. In a couple of months we'll put it all together and come out with something fantastic. (We need volunteers who are committed to fantastic.)

Cynthia Wimer, for the History Committee

Thanks to Jim Phillips, John Bodine, and Brooke Townsend. We now have the satellite antenna for Dish Network. As soon as it is installed (barring any intervention from Admiral Murphy) we should have the ability to receive both Direct TV and Dish Network signals for special events (Super Bowl, Americas Cup, etc). Just bring your satellite box from home and away we go. John Gajdos

## FUN FLOAT

**April 18th, Wednesday, 10:30 a.m**

Our March paddle was a lot of fun, but a little short handed. It seems the Post Office lost the Masthead in never-never-land so it did not get delivered until the day of the Float. We still had a great time. It is time to start working out and get those muscles in good shape. We are going to attack the bridge again. Last year the fog rolled in and a few of our party got lost.

We will leave from the dock at 10:30 a.m. on Wed. April 18th. Bring energy bars, liquids, and remember there's no place to get out to visit the john.

Your fearless leader,

G.P.P.

**FROM YOUR VICE COMMODORE**

Greetings Yachties,

Well, as most people know, the big event in preparation for Opening Day is workday and this year's workday can only be described with one word, "WOW"! What a turn out. We counted 68 members and 14 juniors that participated in workday, which in my opinion made it a very successful event. A short list of the many tasks completed were, the clubhouse was cleaned, inside and out, the boatyard was organized and weeded, the tarmac, decks, and shed were all cleaned/repared as necessary, picnic tables were repaired and painted, a new bollard was fabricated and installed, club boats and launches received repairs and a good cleaning, the landscaping was tended to, and many other miscellaneous items were accomplished as needed. One measure of success is, that we were able to fill John Bodine's 8 X 12 dump bed trailer to beyond capacity with trash and weeds!

Below you will find the names of many participants. I am positive that I am missing a few names and would like to apologize ahead of time. It is difficult to capture every name when the club looks like an anthill, but be assured we tried our best. So here it goes in no particular order:

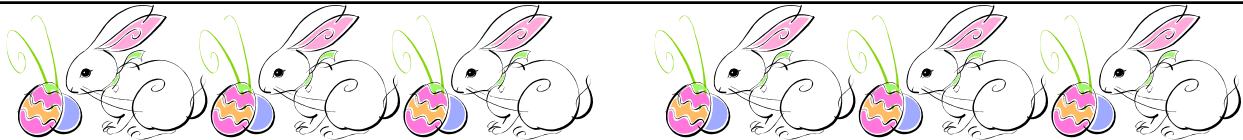

Peter & Beverly King, Dana McClish & children, Wayne Ratliff, Mike & Sharon Brooks, Nia & JP

Schmidt, John Bodine & Brooke Townsend, Andy Brennan, Doug & Cheryl Gould, Bud & Jan Moore, Mary Flaven, Bill & Peggy Sanders, Lynn Meissen, Dick Evans, Jim & Sarah Orth, Greg Larson, Roy Highland, Jim & Char Bruzenak, Dale & Sandy Foresythe, Jeff Davidson, Laura McCarren, Pat & Dot Rygh, Dave Prewett, Donna Arozena, Gail Condon, Susan Wiley, Don Vest, Don & Kit Lockwood, Jim & Rachele Phillips, Hal & Carol Carden, Bob & Judy & grandchildren Salamacha, Manny & Lola Fimbres, Peter Rothenbuecher, Mark & Angela Soll, John & Frances Budlong, Candy Botich, Rick & Corbie Von Stein, Marlene McQueen, Kathy Jorgens, John Gajdos, Judy Adkison, Brian & Andrew Monroe, Maralee Parkin, Ron May, Ray & Susie Berndt, Larry & Barbara Earl, Doug McDonald, Charlene & Terry Paris, and also 14 Juniors who's names unfortunately I do not have.

Again, I apologize for the names I missed. I would also like to thank those who did jobs in preparation for and helped tie up loose ends after workday. A very special thank you also goes out to those who provided/organized doughnuts and lunch. We couldn't have done it without you!

Thank you again to all involved. See you at Opening Day!

John Schmidt  
Vice Commodore

**Santa Barbara Yacht Club Opening Day**

On Sunday March 4<sup>th</sup>, Commodore Dana McClish and his lovely wife Teresa and Vice Commodore John Schmidt and wife Nia represented Morro Bay Yacht Club during the Santa Barbara Yacht Club's Opening Day. SBYC had a wonderful buffet brunch accompanied with live steel drum music. After the opening speeches, they were invited to join the yacht club in their ocean parade. Thirty plus vessels participated and the weather couldn't be more perfect. If you happen to be in Santa Barbara, please be sure to stop by SBYC and enjoy their great hospitality!

**FROM YOUR REAR COMMODORE**

Well it seems like this last month has seen a nice increase in sailing activity. We had two bay races, Spring 1 and 2, and two ocean races, the Mullins Cup Race and Winter 3, and Susan Wiley organized a very successful “Anything that Floats” fun day on Feb 24<sup>th</sup>, I believe that she will have a Masthead article to describe it.

The Bay races were especially interesting for me. I crewed for Kevin Williams on “Protest!” for the first race Saturday (a particular experience as well as an honor and a privilege) and crewed on the Whaler on Sunday for Rick von Stein; we shared Mexico cruising stories during the races. Kevin Williams came to my rescue when he helped/instructed me in fueling, launching, starting, recovering and stowing the Whaler

Race results:

- Mullins Cup – “Whizbang” / May
- Bay Spring 1 – Daysailer / “Protest!” / Williams  
Lido / Rothenbuecher  
Laser / Budge
- Bay Spring 2 – Day Sailor / Williams  
Lido / Watson
- Ocean Winter 3 – “Whizbang” / May

I took a lot of photos during the Bay races. The ones I am submitting to the Masthead are an attempt to capture the flavor of the races from different perspectives.

**PRO’s needed!**  
We need a PRO and helpers for the Bay race on Opening Day as well as for several races this summer.

**FROM THE PORT CAPTAIN’S DOCK**

I thought work day went very well. There were some really hard workers cleaning up the small boat yard. Many thanks to all of them. The boat shed was also cleaned and straightened.

There are many outboards in the shed with no names attached to them. Some have been there for a long time. If one of these is yours please make sure your name is on it. If we can not identify who the outboards belong to we will remove them.  
Thank you, Jeff Davidson

### MEMBERSHIP NEWS

Ahoy All,

Now hear this! It is your last chance to pay your dues and be included in the New Roster Listings or to make changes in the Old Roster. We're about to go to press, so if you've changed phone numbers, boats, or spouses (all other changes too) call or e-mail today.

Good news! Two new members will be applying for membership at the April 12th Board Meeting (6:00 p.m.) Their applications will be posted on the office door for current members perusal and comments. Comments must be delivered to the Board, in writing, before the board meeting.

Jerome (Jerry) White, a resident of Arroyo Grande, is an architect with S & S Homes. Jerry is an accomplished boater, owner of more than one sail boat. He has been active with Morro Bay, and other sailing groups. He is sponsored by Kevin Williams and Dana McClish.

Long time local residents, Terry and Charlene Paris, would like to be members of the Morro Bay Yacht Club. They purchased a Daysailer and have been honing their skills in the bay. Proving their enthusiasm for the Yacht Club, Terry and Charlene spent Work Day at the Club scrubbing and polishing. They have taken part in the required social and boating activities of the Club. Sponsors are Dan Lapp and Jack & Barbara Keely.

Prospective members must have two sponsors who have known the applicant for at least six months, and who will support the applicant through the sponsorship process and after new membership is awarded. It requires dedicated sponsors but is well worth it for the good of the Club. For membership packets notify the Membership Chairmen.

Bill & Peggy Sanders. Membership Chairmen

AHOY NEW MEMBERS:  
 As you most likely have heard by now, Opening Day is quite the celebration here at the yacht club. What you probably haven't heard about is our tradition of having NEW members stop by the Welcome Table at the front door to sign in on our Signature Tablecloth.  
 Back in 1979 Lorraine Miranda created this tablecloth for the dedication of the new club. Charm DeLancey embroidered the signatures to make them ever lasting; a Tradition was started. Opening Day is the only time the cloth is used.  
 If there are any members who can't remember if they ever signed the cloth before, please check the list that will be on the table. If your name is on the list then your signature is on the cloth. Please do not sign again.  
 Each year a volunteer(s) is asked to embroider the new signatures. We give our thanks to Sarah Orth for taking on that project last year.  
 If you can help out please call me or e-mail me.  
 Thanks,  
 Helen Sicher

# Summer-Time Means Hamburger-Time!

Hamburger Nights are just around the corner. They will be every Wednesday Night from May 30 (right after Memorial Day Weekend) through August 29 (right before Labor Day Weekend). Galley Chiefs Bob and Judy are looking for weekly crews to help set-up, serve, and clean-up. Sign-up sheets will be posted soon after Opening Day, but in the meantime, several of you have said you want to help and we appreciate that. The Galley crew not only has a great time working (well, hardly working!!) and greeting and getting to know our members – new and renewed, but you also save \$5.00 on your meal that night. Please, sign-up and have a good time and a good meal, too.

Bob and Judy Salamacha

## MORRO BAY JUNIOR YACHT CLUB

Ahoy Junior maties!

We are now a strong 14 member group: 12 Optimists and 2 Laser sailors. In late February, we managed to have lunch over at the sandspit. The group seemed to like playing games and searching for sand treasures. It looks like we will be going over there again soon. We had a great lesson a few weeks back from Lex Budge on racing tactics and 5 of the Jr. members got to test their skills at the Harken I, in Marina Del Rey. Rory McClish raced in the white fleet and Kieran Hansen, Elizabeth Soll, Shannon McClish, and Kathryn Soll sailed in the green fleet. Congratu-

lations to Shannon for taking second place overall in the green fleet and to all the others for their enthusiastic participation. I think they all learned a lot from this experience. We are now looking forward to the Harken II on April 28th in San Francisco. Let me know if you are interested in going and possibly carpooling.

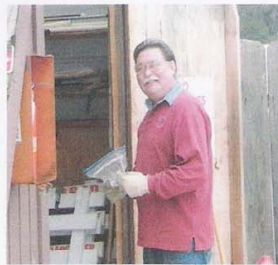

Thank you to all of you who participated on work day, which was everyone! Our shed and the boats look great! Congratulations to Nathan Friedmann for his recent purchase of an Optimist. I will be ordering our Jr. shirts this month and taking orders in the next few weeks. I appreciate everyone coming on time and not leaving until everything is picked up. You all have team spirit!!

Until next time.....

Peggy D finished with a corrected time of 1:48:59 and Whizbang's corrected time was 1:18:50. Peggy D received second place and Whizbang first.

The Winter 3 race was on Sunday 3-18-07. The course was 3 laps around 18EB and MB, making the distance a little over 9km. The wind was very light to start and out of the southwest. About an hour into the race the wind was up to about 10 knots and out of the normal northwest. It died off again some toward the end of the race. Four boats participated in the race; Chiara Mia, Nanka, Peggy D, and Whizbang. The corrected times for the boats was: Chiara Mia 2:21:07, Nanka 2:31:06, Peggy D 2:27:55, and Whizbang 1:53:56.

## 2007 J24 WORLDS AND MEXICAN NATIONALS

Vallarta Yacht Club located in Nuevo Vallarta (3 miles north of Puerto Vallarta) Mexico was the site of the J24 Mexican Nationals on February 24 through 25 and J24 World on March 5 through 9, 2007.

The events were held at Paradise Village which is a planned resort consisting of hotels, private residences, restaurants, the marina and golf courses. During the three weeks I was there the weather was perfect 70\_ to 80\_ everyday with very little humidity. The wind varied between days of light and shifty (2 to 4 knots) to breezy 15 to 18 knots. Our crew of five stayed at a villa located about a 1/4 mile from our boat.

The Mexican Nationals had 45 boats. Many were from Mexico; however, a fair amount were from other countries there to tune up for the Worlds. Included in the latter group was the reigning world champion from Brazil as well as others from Canada, Italy, US, Argentina and Peru.

Arriving on Friday morning our boat managed several hours of sailing that afternoon. In the Mexican Nationals our boat USA 3324 managed to finish first, fourth and fourteenth on Saturday and first and second on Sunday to win the event. In our two first places, after horrendous starts, we were forced left in light shifty winds which turned out to be the favored side of the course and we recovered to round in the top part of the fleet. As the saying goes I would rather be lucky than good any day.

The course at both events was the same which consisted of three upwind and two downwind legs with an offset mark at the weather mark and a gate at the leeward mark.

The J24 World racing did not start until March 5, 2007; however, with 72 boats competing from 13 different nations the action started March 1, 2007 with the dreaded measurement process. The J24 class takes the measurement process very seriously in order to maintain class parity. Although our boat was through the process on March 1, 2007 we were only one of two boats completed on that date. There were other boats still trying to measure in on March 4, 2007. The sails, mast, rigging, boat keel and rudder are measured, and the boat is weighed. In addition total crew weight cannot exceed 882 pounds at the start of the regatta and for a five man crew this can mean serious weight loss prior to that weigh in. We managed to squeak through with 2.3 pounds to spare. In the practice race held on Sunday March 4 we scored a four.

The opening ceremony was held on Sunday. The Vallarta Yacht Club and Paradise Village did a tremendous job in putting on that show. It took place in the resort amphitheater and featured performances by local folk dance and singing groups. In attendance was the Nayarit state governor, the state naval commander and the Mexican Olympic delegate. The ceremony was followed by an open bar and buffet. Thank goodness we had already weighed in.

Monday we finished fourth and seventh in light winds which was a solid performance. Tuesday we finished fourth and fourteenth, not bad. Wednesday and Thursday we imploded with a 22, 25, 27 and 23. Thank goodness Regatta scoring featured one throw out provided five races were run. Friday we rallied with a 7, 15 to finish tenth out of 72 boats.

For the top ten finishers there are trophies for the crew.

The Mexican organizers billed this as the best J24 Worlds ever. After having participated in three prior Worlds in Italy, US and Argentina I would agree. It was a great time filled with good memories.

# News from Daysailer Fleet 128

### Daysailers:

We will have **dinner and a Daysailer Fleet 128 meeting after the Spring 3 races on Saturday April 21—about 3:30 pm.** Dinner will be prepared or ordered-in depending on volunteer cooks that are available. It will be a joyous time as we plan for upcoming events: High Sierra Regatta, Pacific Coast Championships (PCCs), Daysailer Invitational, and houseboat camping combined with sailboat fun cruise on a lake.

### Bay Cruises:

As predicted we (about 20 people in Daysailers, Lidos, and Kayaks) had a great time sailing and paddling on February 24<sup>th</sup>. The potluck food afterwards was incredible. Everyone enthusiastically agreed that fun bay cruises followed by eating, drinking, and merry-making should be a regularly scheduled event. All boaters and friends are encouraged to join in the fun. The second cruise and potluck was on March 24<sup>th</sup>, after the April masthead deadline. I'm sure it was just as fun as the first cruise.

Here are the dates for future cruises.

Boat in the water and ready to leave the dock by 11:30 a.m.

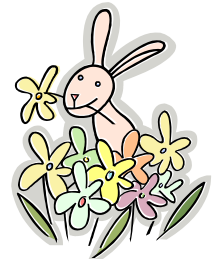

Sunday April 29<sup>th</sup>—sail and potluck

Sunday June 3<sup>rd</sup>--Tide is up—sail to the back bay—and picnic in the boat food?
